ZERO LIMITS

Julie Piantadosi, CEO of Total Coaching Academy, one of Australia's most sought after speakers and presenters. Julie has presented in over 22 countries and trained over 500,000 leaders around the world. She empowers individuals to truly live a life of excellence, removing their own limiting beliefs so that they can do, be or have anything they desire in their life and business.

On stage Julie delivers a high energy and dynamic keynote presentation. Her strength is empowering people to be their best versions possible, while giving them the tools and strategies to take back and use in their own workplace and life. A qualified hairstylist from humble retail beginnings to building a retail empire including 26 of her own salons and spas and employing over 400 staff while building an impressive commercial and residential property portfolio, Julie is a true leader and mentor.

Today Julie works with and trains many corporate clients including Qantas, BMW, Porsche, L'Oréal, Proctor & Gamble, Freedom Furniture, Ambulance, The Council of Ambulance Authorities, Royal Caribbean, and Kenneth Cole New York, just to name a few. Julie Piantadosi is now recognised as Australia's most sought after Corporate Business Coach and Speaker. Her trainings are empowering and transforming.

Whether training a group of ten or a group of many thousands, Julie's workshops create deep transformation through powerful action planning using the principles of neuro-linguistic programs and techniques, a scientific approach to communication, personal development, and psychotherapy. All ZERO LIMITS WORKSHOPS are completed with action plans or workbooks for lasting change for every attendee.

Zero Limits - LEADERSHIP

The Ultimate Leadership Program.

This "hands-on" workshop is guaranteed to permanently transform the way you lead those around you. You will uncover powerful and proven cutting-edge techniques for achieving ongoing success through effective leadership. This masterclass can be delivered over three separate trainings or as a complete Masterclass.

Zero Limits - MINDSET

Fixed versus growth mindset. A fixed mindset is the belief that your intelligence and skills are innate (you are born with them) and incapable of changing. With a growth mindset, one believes that talents can be developed with practice and effort. This workshop unpacks the benefits of a growth mindset allowing attendees to walk away with an increased self-esteem, better resilience, willingness to learn new skills, accept new challenges, and keep progressing despite mistakes.

Zero Limits - COMMUNICATION

Learn brand-new communication skills, using your own body language and voice to effectively influence those around you for more desirable outcomes. When you become aware and change your body language, and learn key communication, you will learn skills to deal with difficult people, difficult situations and master any conflict effectively and easily.

Zero Limits - EXCELLENCE

In this powerful workshop you will discover new strategies to help you overcome any challenge that presents itself both in your personal life and in your career. While we can't change the things that are happening around us, we definitely have the power to choose how we respond to those things. Discover powerful insights to help you better understand what it takes to shift from being externally focused to becoming internally focused, taking back control so that you can stand in your own circle of excellence anytime, anywhere so you can achieve any goal with ease.

Zero Limits - EMPOWERMENT

Your Energy is everything!

Unleash your co-creation superpowers by partnering with the universe. You will become able to choose your reality and create it with intention and purpose. Learn and explore what it really takes to work together as a united team, sharing a common purpose and goal. Reprogram the way you show up to your own life and create the best work environment ever.

Zero Limits - SALES

What defines a world class sales team? What distinguishes excellent service from an award-winning customer experience. In this business boosting boot camp, Julie reveals the key communication and interpersonal relations secret possessed only by the world's top 5% sales professionals. Straight forward easily learnt techniques and strategies for personal interaction with clients and team members that dramatically boost your company's bottom line, increase staff productivity while creating the most amazing team culture ever.

Zero Limits - MONEY

In the session you will be empowered to get real about your bottom line. Attendees will leave this session with new found knowledge, tools and know how to look at their sales from a pure dollar perspective. This dynamic session includes brand-new up-to-date benchmark standards that once implemented in your business will dramatically increase profit.

Zero Limits - MANIFESTATION

Creating the life/workplace that you desire. No more excuses.

This action-packed workshop unleashes unlimited potential for attendees to apply accelerated manifestation into their daily tasks and challenges, anytime they desire. Changing thoughts and beliefs, removing the blocks and stepping into their highest power. This workshop demonstrates how our thoughts become our outcomes. And when we learn the skill of changing our thoughts, we can create any outcome we desire.

Zero limits TRANSFORMATION

A high energy powerful workshop, leaving the attendees empowered and transformed.

Do you struggle with motivation and purpose? Do you get overwhelmed, trying to take care of everyone around you, often putting yourself last? Would you like a more balanced work/life?

Do you have self-limiting beliefs that can get on your own way of success and happiness?

If this sounds like YOU then then this is the workshop for you. Discover tools to be the very best version of yourself. Recognising that one person has the ability to do anything. In this powerful workshop, Julie will share how you can use your own superpowers, removing all the blocks so you can HAVE, DO or BE anything you want!

Zero Limits CUSTOMERS

Your customers/clients will forget what you did but they will never forget how you made them feel. In this powerful workshop attendees will learn cutting edge customer service experience techniques and communication that will transform the customers/clients journey while creating raving fans.
